Fort Wayne Chinese School Newsletter

February 8, 2009

Our Chinese New Year/Fundraising Party was a great success. A heart felt thank you to all the grandparents, parents, relatives, and friends for your support, help, and donation. Cheryl & Michelle's raffle program and food sale raised \$500.00 for the school. Cindy Neuhouse and Ann Slen prepared our kids so beautifully before the performances. We are also very proud of our children for their effort in showing their talents in singing, dancing, and Kongfu performances. In addition, we would like to recognize and thank many friends who are from the Chinese community and local communities came to help and to share the New Year celebration with us. Have a prosperous Year of Ox!

Please note that **Feb.15** class will be held at the North Elementary Campus (the Corner of State Blvd. and Lahmeyer Road).
